Dan Singer Dairy Farm

Township: Delaware
Established: 1938
Owner/Operator: Dan Singer
Grow/Raise: Corn, Soybeans, and Rye Cover Crop
Past Grown/Raised: Dairy Cattle, Hay, Corn, Soybeans, and Wheat
Brand of Equipment: Case IH and John Deere
Generations: Two going on Three

The Dan Singer Dairy Farm takes a lot of pride in maintaining the buildings, having good crops, and conservation. Children from Toledo used to arrive on a bus and spend a day on the farm. These kids knew very little about the life on a farm, which made it very interesting. A couple favorite memories of this farm are milking cows for a long time and also going all no till in 1990 was great.
