Fox Lair Farm

Established: 1964  
Township: Noble  
Owners/Operators: Steve Zachrich Jr.  
Grow/Raise: Horses and Hay  
Past Grown/Raised: Corn, Soybeans, Hay, and Horses  
Generations: Four  

Fox Lair Farm has always had horses on the farm. There is a horse track in the back field, and the original farm established on the property before 1964 was a truck farm. The Zachrich family takes the most pride in the farm being a place for the whole family and their friends to get together. Some lasting memories or experiences they look back on are raising and riding horses, as well as sharing it with others.
