Hancock Farms

Established: 1946; Herbert and Kathryn Hancock bought the farm
Township: Tiffin
Owners/Operators: Darwin, Kevin, and Rod Hancock
Grow/Raise: Corn, Soybeans, Wheat, and Show Pigs
Past Grown/Raised: Corn, Soybeans, Wheat, Clover Seed, and Show Pigs
Brand of Equipment: John Deere and Case IH
Generations: Two going on three

Hancock Farms has seen the transition from using smaller equipment to bigger equipment over the years. The family takes the most pride in keeping the farm cleaned up and looking good. A couple lasting memories or experiences the family looks back on are Kathryn mowing the yard and gardening in her older years, as well as Herbert buying the first self propelled combine for the farm.
