Clinker Farms

Established: 1928
Township: Delaware
Owners/Operators: Dave and Connie Clinker
Grow/Raise: Hay, Corn, Bean, Wheat, and Steers
Past Grown/Raised: Hay, Corn, Bean, Wheat, Steers, Dairy, and Hogs
Brand of Equipment: Case IH
Generations: Five

Clinker Farms is proud of their five generation farm. Throughout these generations, they have managed to keep one 40 acre plot in the Clinker name since 1895. Dave and Connie will forever hold the memories of raising their three children and their 4-H animals on this farm; the same farm that Dave was raised as well. Dave and Connie’s children are still involved with farming today.
