  - Walk-through new calf barn
  - Ventilation
  - Comfort

 Speakers:

Dr. Maurice Eastridge, Professor, Department of Animal Sciences, The Ohio State University

Dianne Shoemaker, Field Specialist, Dairy Production Economics, The Ohio State University

Workshop will benefit producers that:
- raise their own heifers
- contract raise heifers
- buy bull calves and sell beef feeders
- buy bull calves to finish beef

Dairy or Beef Calf Success?

- Raising calves on any farm and in any housing system is a challenging job.
- The important point is getting calves (dairy and beef) off to a good start.
- Preventing disease is cheaper than treating sick animals.
