PRESENTERS TO INCLUDE:

New Perennials **Kylee Baumle** Defiance, OH

Kylee will bring her vast knowledge and expertise to our day and share what's new for 2015 in the world of perennials. Get ready to gather ideas for fabulous additions to your gardens in 2015 (with a sneak peek at 2016)!

Garden to Plate **Pam Stotz** Stoney Ridge Winery, Bryan, OH

Making the most of your garden produce (squash, grapes, strawberries, cucumbers, herbs). Pam will show you how to use your fresh produce and prepare for the dinner table.

Invasives **Amy Stone** Extension Educator, Toledo, OH

How to identify, reduce, and prevent invasive plants in your landscape. Invasive plants are species that can thrive in areas beyond their natural range of dispersal. These plants are characteristically adaptable, aggressive, and have a high reproductive capacity.

Plant Propagation **Sarah Noggle** Extension Educator, Paulding, OH

How to identify plant parts, as well as, easy steps to propagate plants in your house or in the garden.
