Schroeder Farms

Established: 1910
Township: Adams
Owners/Operators: Keith and Pam Schroeder; Lucas and Taylor Schroeder; Layne and Chelsie Schroeder and their 3 sons
Grow/Raise: Corn, Soybeans, and Wheat
Past Grown/Raised: Sugar Beets, Hay, Corn, Soybeans, Wheat, Dairy Cattle, and Hogs
Brand of Equipment: Whatever is most cost effective
Generations: Keith is the 3rd generation, while Lucas is the 4th generation

Schroeder Farms grows specialty soybeans that are food grade for a premium. The family takes pride in being good stewards of all the Lord’s blessings that he has given them. They try to improve the soil health in all ways that they can. An observation they have made over the years is that each generation has less physical labor, but there are more business strategy decisions that have to be made.
