Vetter Farms

Township: Hicksville  
Established: 1934  
Owner/Operator: Chad Vetter  
Grow/Raise: Corn, Soybeans, and Beef Cattle  
Past Grown/Raised: Corn, Soybeans, Wheat, and Clover  
Brand of Equipment: Case IH  
Generations: Four

The farm was bought when Herman Vetter sold his Life Insurance policy to make a down payment. Herman was a share cropper and was tired of moving before he bought it. Vetter Farms takes the most pride in their new grain setup that was built in 2013. Some lasting memories of this farm are all of the grandpas, fathers, and sons all getting to work together on the farm over the years.
